Game Ranch Directory	51	13.97%
EWA Registry	50	13.70%
Conservation Extravaganza	50	13.70%
Education Portal - EWA Website	31	8.49%

Comments Summary

- Overall, the majority of comments reflected positive feedback on EWA's work to date, particularly regarding legislative efforts, advocacy against government overreach, events, and current initiatives.
- Members expressed a desire for EWA to place increased focus on legislative advocacy and addressing government overreach, CWD regulations, and ESA removals.
- Members expressed interest in EWA expanding beyond Texas into other states.
- There is a desire for increased focus on conservation projects, including EWA-led projects, member-led efforts, and international initiatives.
- Members noted the need for updates to the registry on both the administrative and member sides.
- Members expressed a desire for increased focus on smaller members, including highlighting their stories, addressing their unique needs, and offering more accessible ways to support and engage with EWA regardless of financial capacity.
- Members would like more educational opportunities, including in-person events, printed materials, and digital resources.
- Concerns were raised that recent bylaw changes may make it more difficult for members to serve on the board, potentially limiting the pool of qualified candidates.
